

Furniro

Terms of Use for Furniro

(Fictional Project for Educational Purposes)

Introduction

Welcome to Furniro! This website is a fictional project created for programming and educational purposes. Furniro does not represent a real entity or business, and all features, services, and content on this website are for demonstration only. By accessing or using this website, you agree to comply with these Terms of Use. Please read them carefully.

Acceptance of Terms

By creating an account or logging into the Furniro platform, you acknowledge and agree to these Terms of Use. If you do not agree with these terms, you must refrain from using the website.

Account and User Responsibilities

1. **Account Creation:** You are responsible for providing accurate and complete information when creating an account on Furniro.
2. **Personal Use:** This website is for personal and non-commercial use only.
3. **Prohibited Actions:** You agree not to use Furniro to engage in unlawful activities or to disrupt the functionality of the website.

Disclaimer

1. **Fictional Nature:** Furniro is a fictional website for programming practice and does not represent a real company. Any resemblance to real entities is purely coincidental.
2. **Content Accuracy:** The products, features, and content displayed on this website are entirely fictional and are not available for purchase or distribution.

Intellectual Property

All content on this website, including text, images, and code, is part of a programming project and is not intended for commercial use. Any unauthorized use of this content is strictly prohibited.

Limitation of Liability

Furniro and its creators are not liable for any damages, losses, or issues arising from the use of this website.

Privacy Policy

Any data entered into the Furniro platform is for demonstration purposes only and will not be stored, shared, or used beyond this project.

Changes to Terms of Use

These Terms of Use may be updated at any time to reflect changes in the project or its features.

Contact Information

For any questions or concerns about these Terms of Use, please contact the project creator:

Denisson Pereira

(Fictional developer for the Furniro project)
